

Fulfillment Services

Delivering information where it's needed, on time, every time!

BCI fulfills more than two million communications pieces each year. Our team of fulfillment professionals, including graphic designers and writers, answers customers' production needs from start to finish ensuring materials are printed, shipped and delivered on time.

Customer Value

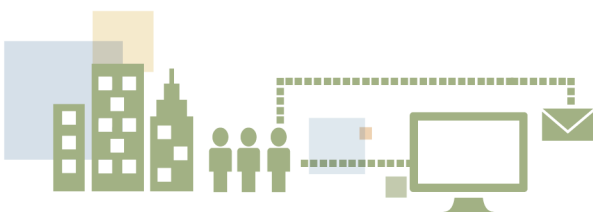

- Maximizes savings from volume discounts
- Capitalizes multi-service discounts
- Eliminates storage costs - all materials stored at BCI's fulfillment center

Advantages

- Provides a "one-stop-shop" for all printing, packaging and shipping needs
- Reduces costs by consolidating design, print and shipping services
- Relieves Human Resources' time by reducing the administrative burden
- Creates confidence that materials are maintained and distributed accurately, efficiently and on time
- Ensures all PPACA mandated communications are delivered:
 - » Summary of Benefits and Coverage (SBCs)
 - » Notice of plan modification/Marketplace (Exchange)

Delivery Options

- BCI's Fulfillment Center
